

QUEEN CREEK DENTAL CANCELLATION POLICY

(Updated 2018)

At Queen Creek Dental, we recognize that in today's busy world, adhering to a schedule is important in order to maximize time and meet the demands of daily life. With this in mind, we have developed a cancellation policy that is fair to both our patients and our practice.

We are committed to seeing our patients on time and respecting their time. Late cancellations (less than 24 hours notice) and failed appointments are disruptive to our schedule and other patients.

In order to maintain our schedule, we request 24 hours notice for cancellations or rescheduling of appointments. In the instance of a late cancellation (less than 24 hours notice) or a failed appointment (No Show) a fee of \$50 dollars will be charged for every Hour Scheduled. This fee may be waived if the appointment missed is re-scheduled in a timely manner. If there are more than three missed appointments on file then we may ask that you call the day you are available to be worked into the schedule.

Thank You for your understanding!
